Tranum Strand is located approx. 2 km from the beautiful West Coast of Jutland.

Expected Covid 19 rules: Proof of vaccination (min 1 shot) or negative Covid 19 test not more than 72 hours old (preferably you get it just before going to Tranum and join our bubble). There will be hand sanitiser to be used between tips and the rules at the location has to be followed. Presently we don't believe we need to use masks, but it is free to use. Rules will be specified before the event - . And naturally at arrival.

I am sure that everyone will do their utmost each other so we can have a safe event.

Everything is subject to changes and be adjusted due to the Covid 19 situation, but we are optimistic and will keep the registered updated on the situation.
